Hang loose with the **Tiverton** exterior pendant. Available in small (13 inches high by 9 inches wide) and large (19 inches high by 12 inches wide) versions, this modern square lantern houses four candelabra bulbs and comes in polished-copper, architectural-bronze, and brushed-nickel and -brass finishes. Frosted borders on its clear glass panes add another subtle detail. 162 Joshuatown Road, Lyme, CT 06371; 860-434-3744; [clsterling.com](http://clsterling.com). circle 612
