Design Discovery: Night Light

This summer, dress up an outdoor space with the season's most fashionable furnishings and accessories. There's nothing more whimsical, not to mention unexpected, than dining al fresco under a light suspended from a tree above your table. This brass pendant comes in three sizes and is finished in either brushed nickel or bronze, and the interior color can be customized from a Benjamin Moore or Pantone color. Find it at CL Sterling and Son in Niantic, Conn., (860) 739-2720. —Cheryl & Jeffrey Katz
